

How can I easily add Scriptural Rosary into my prayer life?

We've made it simple to pray this way with our many guides published by Suffering Servant Scriptorium. Author Christine Haapala has meticulously identified and collected Sacred Scripture specifically to intensify your meditation of each mystery of the Rosary.

Why should I change the way I pray the Rosary?

How many times do we find our minds wandering as we pray the Rosary? Instead of contemplating the mystery we may be composing a shopping list. While this is a normal symptom of a busy life, we must always try to refocus our attention on the events of Christ's life represented in the Rosary.

The beauty of the Scriptural Rosary is that it provides a meaningful way to sharpen our focus on the mysteries of the Rosary. Over time, this practice of praying the Rosary with Scripture will draw us ever closer into the life of Christ and deepen our prayer life.

ENRICH YOUR PRAYER
WITH THE WORD OF GOD

*pray the
Scriptural
Rosary*

*"the Bible
on Beads"*

Scriptural Rosary invites the reading of Holy Scripture into the Rosary prayer. Before each repeated prayer of the rosary, a short verse or passage from the Bible is read. The scripture is carefully selected to deepen the meditation experience of the rosary.
